person.**

**Masks are Required**

## LBDC Meeting In Person

The Lower Bucks Dog Training Club is overjoyed to be meeting in person again.

For the safety of all, masks are required. Many of us are over 65 and some of us (including me) have medical conditions that make us more likely to catch the virus and/or more likely to suffer severe complications from the virus even if we are fully vaccinated.

Our last in person meeting was March 2020. It's been a long two years. It will be wonderful to be real rather than virtual.

Florence Brems  
LBDC President

## Congratulations!

Our Awards Meeting was held last month.

Please see the list of titles, achievements, and honors below.

Thank you to Roz Rosenblatt for all her hard work on the LBDC Awards,

## Pet Food Drive

There is a strong possibility that we will again not be able to host our traditional pet food drive outside a local grocery store this spring due to the store's decisions regarding Covid. The stores have not yet made commitments to my inquiries to allow solicitations in front of their facilities in the May/June timeframe. I will continue conversations with them in the coming weeks.

In lieu of our traditional food drive, we will be starting another Pet Food Donation Campaign which will begin immediately and end May 30, 2022.

**Our treasurer, Kris King, has advised me that we are down to an \$8.00 balance in our pet food fund. LBDTC is in dire need of your generous cash donations to replenish the funds needed to be able to purchase and donate pet food in the upcoming Spring to the three local pantries we support.**

Your contributions may be made by personal **check** payable to LBDTC and sent by mail to our treasurer, Kris King at 33 Boxwood Lane, Langhorne, PA. 19047 (Please add LBDTC Pet Food Drive to the bottom left hand memo line on your check).

Our website can make donating even easier than writing a check. Just use **Pay Pal**: click on the link below, hit send and log in with your Pay Pal log in information. Enter the amount you would like to donate. Under "Add a Note" put pet food drive so Kris knows what the money is for. <https://www.paypal.com/paypalme/LBDTC>.

Thank you for your generous hearts and spirit.

## LBDTC Classes

Training Committee:

We've resumed training classes from our Covid break and all is going well. The current session of classes end March 25th. Session 2 will run from April 4th to May 27th with registration opening March 3 and closing March 31. Training classes for session 2 will be: excellent rally, beginner's obedience (Tues.& Wed.), advanced obedience (Tues. & Wed.), All Star puppy, competition obedience, and introduction to agility. With introduction to agility, we need to keep this class available for people new to agility each session since it's so popular. If by the last week of registration, there are still some available spots, then someone who has previously taken the class can sign up again. With competition obedience, we welcome either new people with (CGC) to the class, or any members who are interested in extending their dog's skill level in obedience.

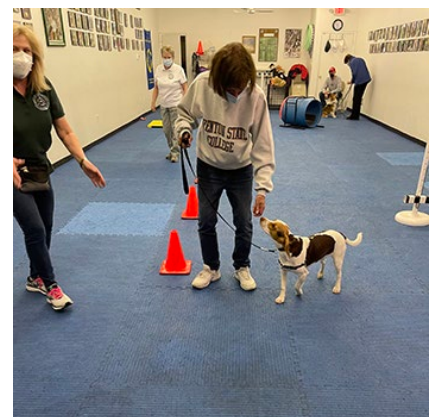

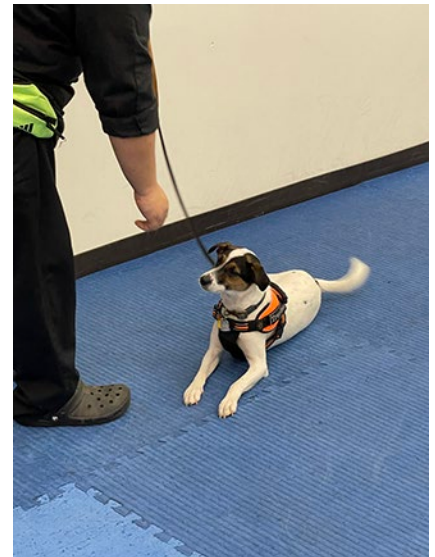

On Thursday, March 3, at 7:30 PM the training committee is holding a meeting at the club site. An oral report of the business from that meeting will be presented at our next member meeting.

Thank you,  
Carol, Judy, Robin
