Roger Matzke tells us - My dogs (Odin, Kronk & Willow). Willow is trying to learn to deal with the stress of the agility competition environment. On 03/27 earned a 1st in Beginner Speedstakes and a 2nd in Beginner Jumpers at the UKI Barto competition. This earned Willow her first agility title for UKI Beginner Speedstakes (SSB). Kronk has been busy in both AKC & UKI agility. Kronk has had the following results: 3/06, Krusine Kanines UKI competition - 1st in Senior Speedstakes, and 2nd places in Senior Agility, Senior Jumpers & Master Jumpers; 03/12, Trailblazers AKC competition - 1st Master FAST

Kronk also had his first Dock Diving Competition of the year at Sunshine Diving Dogs. He had 3 qualifying distance jumps with his best of the day at 18' - 2". He also had qualifying jumps in Hydro Dash and Air Retrieve. Thanks for letting me brag.

Peg Lehnert informs us - Serry earned two Winners Bitch ribbons last weekend at the shows in Harrisburg, PA. I am pleased with these wins because she has previously either won with raves from the judge or gotten nothing at all. It is nice to be recognized even if she didn't get points, she is only 14 months old and has 6 already so I am not worried

## Training Classes

The current training classes are underway for a record 46 students/ dogs! The training instructors and assistants continue to be pleased by the number of dog owners

interested in having well-mannered dogs and choosing LBDTC to guide them through that training. This session runs through May 26th with the next session starting June 6th, and finishing July 29th. Registration for the next round of classes opens on May 3rd, and closes June 2nd.

As the interest in LBDTC's classes grows, so does the need for instructors and assistants. If anyone would like to be involved in the training classes, please contact Judy, Robin, or Carol. Your help would be very appreciated.

Thank you,  
Carol, Judy, Robin

## Civility

We have been isolated by the Covid-19 pandemic over the past two years Our social skills are a little rusty.

The members of the Lower Bucks Dog Training Club care deeply about the welling being our Club.

We may disagree, but we must treat each other with courtesy and respect. We should listen to each other and discuss our ideas and differences of opinion with civility. We should remember that we all want what is best for the LBDTC and should work together for the benefit of our Club.

## Many Thanks!

The Lower bucks Dog Training Club, Inc. held Obedience and Rally Trials on April 23 and 24, 2022.

On behalf of the LBDTC, I would like to thank all of the club members who participated in the trails and made them a great success.

LBDTC appreciates the support of our members. You are what makes the Lower Bucks Dog Training Club the wonderful club it is.

Florence Brems  
LBDTC President

Dear Club Members,

I would like to take this opportunity to thank all of our members who came out to support our 2022 Obedience/Rally trials. It was a lovely weekend that provided exhibitors a wonderful opportunity to show their dogs at a beautiful trial setting..

**Terri**, the training site looked great. It was clean, set up and ready to go for us on Saturday morning. I got a full report from members that all was in order when they arrived first thing Saturday morning. Lunch both days was yummy, as were the snacks you provided at our hospitality table. We appreciate all that you did behind the scenes and in front of us to make the trial run smoothy. Please thank **Sue Vanaman**, your Trial Secretary, **Tammy Gibson**, and

all of your friends and stewards that spent the weekend working with us to make our trial a success.

**Ken**, thank you for being our parking assistant. You did a great job moving cars around and finding good parking spots for our exhibitors. I appreciate your delivering the poster boards and placing them in strategic locations. I appreciate your help with set up at the beginning and break down at the close of the trial. I also look forward to seeing the many photos you took.

**Doug**, the sponsor boards were beautifully done, and added a welcoming to touch to the trial. I appreciate the time that it took you to make them for us. It goes without saying that your donations are always greatly appreciated as you never charge us for materials or for printing.

**Florence**, Terri had you set up under a canopy that she provided in a good location. You were in the back lot under cover and visible for exhibitors when walking in and out of the door. Thank you for spending the weekend with us. You did a fine job as raffle seller and hospitality host.

**Lois**, thank you for shopping for our basket items, and **Michelle** for putting them together. We appreciate your generous donations. Thank you, **Helen**, for the basket you donated. All were lovely and well received. I am anxious to see the revenue they bring in.

**Maryann**, you were a big help to us at the trials this weekend. I am so glad you were stewarding at the back ring when Bette and I did our PM Rally run. Thank you for all of your help. It was needed and appreciated.

**Maryann**, thank you for mentoring **Kim Anderson** on Saturday. Kim spent the day with us and loved the whole experience. We look forward to seeing Kim working with us at future trials.

**Linda**, thank you for organizing and delivering the ribbons and the easels to Up Front. I also appreciate the afternoon you spent on Sunday stewarding for us in the front ring. I'm sure Barb Rooney was delighted to work with you.

**Barb**, thanks for spending all day Sunday stewarding at both Rally trials. Your help was needed and welcomed.

**Jan**, my thanks to you as well for being one of our stewards on Sunday. You were quite efficient at the check in board.

**Diane**, your assistance and guidance helping me along the way getting things organized and moving was of great assistance. You were entered at both trials and were there to help the crew when needed.

**Robin**, thanks for making sure the easels got to Linda so she could deliver them in advance.

**Kris**, with all that we do at Lower Bucks, you're always in the middle helping in any way

you can. Your advice to me going forward was invaluable. Your help at both the Obedience and Rally trials was truly appreciated. Thank you for delivering last minute things that were needed at the trial and for always being there for us.

My thanks to **Judi Youngken** who stopped by the Obedience trial on Saturday to support the club.

And many thanks to all our **Lower Bucks club members who entered their dogs** at our Obedience and Rally trial to support the club.

**A round of applause and a great big thank you to all of you for your collaborative efforts to help Lower Bucks put on another successful Obedience/Rally trial!**

**With sincere appreciation,  
Roz Rosenblatt**

P.S. Please let me know if I have forgotten anyone on the helping list. If I did, it was merely an oversight.

Having been the trial chair for many years with Diane Stout I am gladly writing this thank you note.

Hosting the Lower Bucks Obedience Trial and the 2 Rally Trials as well as Chairing the entire process is an extraordinary fete.

Lower Bucks Dog Training Club owes Terri Kerr a tremendous debt of gratitude as well as her

students and friends and of course the judges.

There are only a handful of people, who know anything about how to run a trial. Sue Vanaman and Tammy Gibson are two of those people and we thank you!!

Upon entering the building, we were greeted by the beautiful sponsor boards by Doug and Peg Lehnert. Florence Brems this year was in a tent right outside the door at her hospitality post.

It was great to see Lower Bucks' Diane Stout, Barb Rooney Roz Rosenblatt, Mary Ann? Kim? Kris King and Ken McKinney (photographer and 2-day parking lot administrator) and Jan Garbutt who vacated her Rally Scoring post so I could have it for Trial 2.

Thanks Lois DiMarzio and the folks that made the raffle items they were beautiful.

Lunch was awesome in Terri's home.

We were very fortunate that the weather was great enabling competitors two days of trialing spent in a park like atmosphere with their best friends.

Their dogs!  
Congrats to all!

*Linda Morrin*

## Walls of Fame

A big thank you to Helen and MaryAnn for printing and mounting new pictures to our Walls of Fame as well as the new decor on the windows.

Thank you also to Helen for organizing the front counter area. “

Thank you,  
Robin Murphy-Kinley

## LBDTC Agility Trial May 22, 2022

Dear Club Members,

I would like to remind everyone that we have an Agility Trial on May 22nd (Sunday) at United Dog. The Premium is posted on our website. The club will be looking for volunteers in the near future. If all you can give is a couple of hours, that is still great.

There are simple jobs like ring crew(reset bars, change bar heights); leash runner (moves leash from entry gate to exit gate during each run); timer(presses the reset button before each run, hits start button if clock does not start automatically); course builders(helps to set up new courses between classes) and ticket runner(takes the results of each run to trial secretary). The harder jobs are gate keeper (ensures correct dog and handler is entering the ring and teams on deck are present and ready); scribe (has to ignore the run and focus on the

judge to record the judges hand signals on the ticket).
